HOW CAN I CONTINUE MY INCOMPLETE APPLICATION?

If you have a previously saved but incomplete e-ikamet application, you can continue by selecting the “I WANT TO CONTINUE MY APPLICATION” option after choosing the menus (first application/transfer/extension) in Step 2 on the residence permit application screen.

HOW CAN I LEARN AN APPLICATION RESULT?

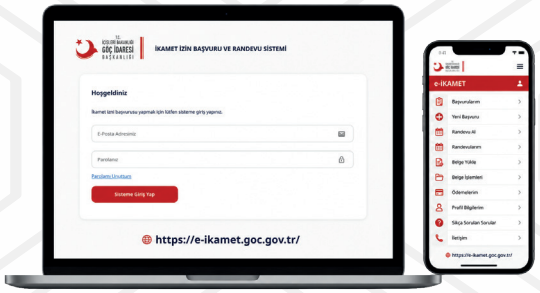

You can obtain information about the result of your application through the “I WOULD LIKE TO SEE MY APPLICATION RESULT” menu on the website https://e-ikamet.goc.gov.tr/.

If “Missing Document” information is displayed as a result of the inquiry, you must complete the specified missing documents and submit them within the deadline.

Residence permit applications are made exclusively at https://e-ikamet.goc.gov.tr/.

It is essential that residence permit applications are made personally by the foreigner. However, applications may also be made through the legal representative of the foreigner or a lawyer holding a power of attorney.

HOW TO APPLY FOR A RESIDENCE PERMIT?

1 PRE-REGISTRATION

Visit the official application website at https://e-ikamet.goc.gov.tr/

During the application, you must have your passport or travel document used for entry into Türkiye, along with a digital version of your biometric photograph.

2 SELECT THE APPLICATION TYPE

If you wish to apply for a residence permit for the FIRST TIME;
The "I LODGE AN APPLICATION FOR RESIDENCE PERMIT FOR THE FIRST TIME" option should be selected.

If you have a residence permit and wish to extend it;
The "I APPLY FOR THE EXTENSION OF THE DURATION OF RESIDENCE PERMIT" option should be selected.

(Residence permit extension applications must be made within the validity period of the current residence permit.)

If you have a residence permit and wish to change the type of residence permit;
The "I LODGE A TRANSFER APPLICATION FOR RESIDENCE PERMIT" option should be selected.

3 COMPLETE THE APPLICATION

Fill in all the requested information in the Pre-Registration Form page, complete the required security steps and proceed with your application through the "Student Residence Permit Application" option.

It is important to enter your own contact information in the application.

4 MAKE AN APPOINTMENT

By filling out all the required information on the application screen, the application will be submitted.

You must choose the province where the university you are enrolled at is located during your application.

5 PRINT THE DOCUMENT

Once the application has been created, select the "CREATE APPOINTMENT REQUEST / PRINT REGISTRATION DOCUMENT" option to choose your appointment city and date, thereby completing the process.

6 PAY THE DOCUMENT FEE

Once the application is completed, the residence permit card fee can be paid online via the "MAKE PAYMENT" menu, or paid directly to tax offices or contracted banks.

The "Accrue Number" required for payment transactions is located on your residence permit application form.

7 SUBMIT THE DOCUMENTS

Once you have completed your application, you must submit the documents specified in your residence permit application form to the international student offices at your university without waiting for your appointment date.

Health insurance is required for residence permit applications. If you apply within three months from the start date of the academic year, you can obtain general health insurance. Otherwise, you are required to have private health insurance.
