UNIVERSITY ENROLLMENT

You must complete your university enrollment within your legal stay duration in Türkiye.

If you do not already have a Foreigner ID Number (YKN), a YKN will be automatically assigned by the Presidency of Migration Management during university enrollment, and your university registration will be completed via this YKN.

RESIDENCE PERMIT APPLICATION

Residence permit applications are made exclusively through the official website of the Presidency of Migration Management, “e-ikamet.goc.gov.tr”.

Important Reminders Prior to Application

- The residence permit application must be submitted within your legal stay period.
- It is essential that your university enrollment is completed prior to the application.
- You must have a digital version of your biometric photograph ready prior to the e-ikamet application.
- A valid health insurance is required for residence permit applications.

RESIDENCE PERMIT APPLICATION

e-ikamet

Points to Consider During Application

The application must be made through e-ikamet.goc.gov.tr using the passport or passport substitute document used to enter Türkiye.

It is essential that your contact information is declared accurately and completely.

Health insurance details must be entered during the e-ikamet application.

SUBMISSION OF APPLICATION DOCUMENTS

Following the completion of your application, you must submit the application form obtained via e-ikamet and other required documents to your university's international student office as soon as possible.

Required Documents

- First page of the application form
- Photocopy of passport or passport Substitute Document
- Document/receipt proving payment of the residence permit card fee (Upon completing your application, payment can be made online via the "MAKE PAYMENT" menu)
- Document indicating address information

In the event that additional documents are requested during the evaluation of your application, you will be notified via SMS. You may submit the requested document to your university's international student office as soon as possible.

RESIDENCE PERMIT CARD

Your residence permit card will be sent via PTT to the address declared in your application.

You can track the status of your residence permit application and the PTT tracking code for your residence permit card via the "I Would Like to See My Application Result" tab on e-ikamet.goc.gov.tr.

IMPORTANT

Please remember to register your address within 20 working days upon receiving your residence permit card.
